Annual berth rates include:

Electricity and water consumption, 1 parking place, WLAN, oil waste disposal and garbage disposal.

Annual and monthly mooring berths are payable in advance; in opposite the marina will charge the daily price.

Monthly berths on "finger" (piers B and L) pay + 10% supplement. - Monthly berths pay + 10% supplement for electricity and water consumption

In case the vessel remains berthed after 14:00 PM, the whole next day will be extra charged.

Maximum stay on the land is 7 days. After that it will be charged as a daily berth per day.

For a fixed reservation it is necessary to make a payment of 10% of the total amount.

Yearly and monthly berths have the following privileges:

20% discount in the hotel, 10% discount alla carte in restaurant, voucher in the amount of 200,00 EUR for consumption in the Restaurant Navigare, free use of the wellness center

* Monthly cost for electricity connection for max 24h (2x)

* Storage on land (6 months) is possible only in addition with the annual contract.

NOTE: Marina Nautica reserves the right to alter the published rates.
